Thank you, Alice.

The 5 year review report includes FY11 to show the dates that the reports were completed - 3 with FY11 due dates do not have completion dates entered.

The workplanning reports for remedial action and for pipeline planned funds (..WPDetail) are included here - these will show planned funding in CERCLIS by quarter for FY12 and totals for FY13 and FY14.

The draft RA funding plan for FY12 was sent by Emily last week and she identified some discrepancies with the paragraphs submitted and the planned funding in CERCLIS. She wants a response to the Funding Plan by Wednesday, so we can determine whether the funding in CERCLIS needs to be adjusted or the paragraphs.

Thanks,
Jo Ann Gee
